#### HOUSE OF KOLOR PRICING POLICY

The preceding list of prices supersedes all previous price lists and all previous quotations which may conflict with prices quoted herein. These prices are subject to such revision as may be necessary without notice. Order accepted subject to delivery when merchandise is available and at seller's prices in effect at time of shipment. User prices are manufacturer's suggested pricing.

#### FREIGHT POLICY

Freight is prepaid and allowed on orders of \$4,000 per ship to location using our corporate preferred carrier. WD's that support House of Kolor and Valspar product lines may not combine orders to make minimum prepaid freight. Freight terms apply in the continental United States and Canada. For all Air shipments and shipments not meeting established minimums, freight will be prepaid and added to the invoice.

#### DROP SHIPMENTS

A \$100.00 handling fee will be assessed for all drop shipments and added to the invoice. Freight charges will be prepaid and will be added to the invoice. If a lift gate is required, a \$50 Lift gate

#### SHIP TIME POLICY

Lead time orders- Orders will be scheduled for shipment 5 days or less from date of order entry.

#### BACKORDER POLICY

Items that are not available at the time of shipment of an order are to remain in a BACKORDERED status until material is available to ship unless otherwise agreed to cancel. As a new order from a customer is processed, existing backorders for that customer for which material is available for shipment will be shipped with the customer's new order.

#### WARRANTY RETURNS

Defective materials must be shipped back prepaid and accompanied by a return authorization within 14 days of authorization. Credit will be given for shipping. Defective material will be replaced. This also applies to recall items. NOTE: Discontinued products are not returnable and credit will not be given. No returns will be accepted without a return authorization.

#### MERCHANDISE RETURNS

All requests for return of goods must be directed to our sales office for authorization. No return will be accepted without an ATARG (Authorization to Accept Return Goods). All returns are subject to approval or quality as determined by our laboratory. Material, which has been approved for return, is to be shipped freight prepaid to the designated location of our choice and will be credited accordingly. No credit will be given for unauthorized returns. There will be a 20% restocking fee for all returned products. Note: Authorized returns will be sent back to the Garland, TX warehouse facility.

#### ITEMS NOT CONSIDERED FOR RETURN

Items held one year beyond the invoice date opened containers, repackaged products, items withdrawn from product line and/or Firm order products made to specifications (made to order items) are not considered for return. Additional Items not returnable: Special Order items, Small Batch, Equipment, Labels, Color Documentation, Literature, and Signage.

#### LINE OF CREDIT

A complete account application signed by an authorized representative of your company is required to do business with House of Kolor regardless of the terms requested or granted. Upon approval by our credit department, a line of credit may be established on open account status. To receive credit, a signed application form must be submitted showing a commercial banking relationship and a minimum of three trade references. Monthly purchases from each reference must equal or exceed the line of credit desired. The receipt of a completed and signed application

#### DELINQUENT ACCOUNTS

Returned checks will be assessed a service charge in accordance with state and local laws. The minimum service charge will be \$50.00. House of Kolor, at its option, may terminate any account due to delinquent status.

#### MIS-SHIPMENTS AND REFUSED ORDERS

Any miss-shipment must be reported within 24 hours of the receipt of the order. All refused shipments, with the exception of refusal due to damaged product and merchandise returned against any past due account will be subject to the maximum restocking charge. Arrangements for the account balance must be made before any further orders will be shipped.

#### FREIGHT DAMAGE POLICY

All orders placed from Valspar are shrink-wrapped, wrapped with Valspar security tape, corners are braced and the palette is loaded in the shape of a cone to discourage the stacking of palettes on top of it. When you receive the shipment, please inspect the shipment for damages and insure the shrink-wrapping is still in place. If the shipment has been altered, please follow our current freight damage policy or contact your servicing Valspar representative.
